Innovative Physician Education For You

This program meets the accreditation criteria of The College of Family Physicians of Canada and has been accredited for up to 1.0 Mainpro-C credits

We will come to your office and do a one to one session with you (40 – 60 minutes) or a 4 – 6 member breakfast or lunch and learn session (60 minutes). We will provide the food!

Physician educators will include:

Anna Byszewski, Bill Dalziel, Louise Carrier, Andrew Frank, Inge Loy-English, and Barbara Power.

This innovative Dementia Education Program for Family Physicians is designed to:

- improve your recognition, diagnostic assessment and treatment of dementia
- improve your management of associated problems or issues in dementia care
- improve your knowledge on monitoring and benefits of drug therapy
- improve your understanding of the Alzheimer Society's programs and services available for patients/caregivers/family members.

Please call 613-523-4004 and we will mail out a Needs Assessment so that your session can be tailored to meet your needs.

We gratefully acknowledge the unrestricted educational grant generously provided by: Novartis, Pfizer, Lundbeck and Janssen-Ortho
